

Datasheet for ABIN4488955

## Human MARCH11 cDNA Clone in Mammalian Expression Vector (HA tag)

### Overview

|              |                             |
|--------------|-----------------------------|
| Quantity:    | 500 ng                      |
| Gene:        | MARCH11                     |
| Species:     | Human                       |
| Fusion tag:  | HA tag                      |
| Insert:      | cDNA                        |
| Vector:      | Mammalian Expression Vector |
| Application: | Protein Expression (PEXP)   |

### Product Details

|                       |                                                                                                              |
|-----------------------|--------------------------------------------------------------------------------------------------------------|
| Purpose:              | Mammalian expression of Human March11 with HA tag                                                            |
| Insert Length:        | 477 bp                                                                                                       |
| Vector Backbone:      | pPM-C-HA                                                                                                     |
| Promoter:             | CMV Promoter                                                                                                 |
| Selectable Marker:    | Neomycin                                                                                                     |
| Bacterial Resistance: | Kanamycin                                                                                                    |
| Expression Type:      | Stable, Transient                                                                                            |
| Specificity:          | 5-NheI and 3-XhoI<br>Fusion tag: A singel C-terminal Hemagglutinin tag which is not cleavable (Size 1.1 kDa) |
| Sequencing Primer:    | CMV sequencing primer: 5` CGC AAA TGG GCG GTA GGC GTG 3`                                                     |

### Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Gene:             | MARCH11                                      |
| Alternative Name: | March11 ( <a href="#">MARCH11 Products</a> ) |

## Target Details

---

NCBI Accession: [NM\\_001102562](#)

## Application Details

---

Restrictions: For Research Use only

## Handling

---

Format: Liquid

Buffer: 10 mM Tris-HCl, 1 mM EDTA, pH 8.0

Storage: -20 °C

Storage Comment: 1 year when stored at -20° C or lower in a non-frost free freezer.

Expiry Date: 12 months

## Publications
