

Datasheet for ABIN4763397

## Human AOC2 cDNA Clone in Mammalian Expression Vector (HA tag)

### Overview

|              |                             |
|--------------|-----------------------------|
| Quantity:    | 500 ng                      |
| Gene:        | AOC2                        |
| Species:     | Human                       |
| Fusion tag:  | HA tag                      |
| Insert:      | cDNA                        |
| Vector:      | Mammalian Expression Vector |
| Application: | Protein Expression (PExp)   |

### Product Details

|                       |                                                                                                              |
|-----------------------|--------------------------------------------------------------------------------------------------------------|
| Purpose:              | Mammalian expression of Human AOC2 with HA tag                                                               |
| Insert Length:        | 2271 bp                                                                                                      |
| Vector Backbone:      | pPM-C-HA                                                                                                     |
| Promoter:             | CMV Promoter                                                                                                 |
| Selectable Marker:    | Neomycin                                                                                                     |
| Bacterial Resistance: | Kanamycin                                                                                                    |
| Expression Type:      | Stable, Transient                                                                                            |
| Specificity:          | 5-NheI and 3-XhoI<br>Fusion tag: A singel C-terminal Hemagglutinin tag which is not cleavable (Size 1.1 kDa) |
| Sequencing Primer:    | CMV sequencing primer: 5` CGC AAA TGG GCG GTA GGC GTG 3`                                                     |

### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Gene:             | AOC2                                   |
| Alternative Name: | AOC2 ( <a href="#">AOC2 Products</a> ) |

Target Details

NCBI Accession: [NM\\_009590](#)

Application Details

Restrictions: For Research Use only

Handling

|                  |                                                                    |
|------------------|--------------------------------------------------------------------|
| Format:          | Liquid                                                             |
| Buffer:          | 10 mM Tris-HCl, 1 mM EDTA, pH 8.0                                  |
| Storage:         | -20 °C                                                             |
| Storage Comment: | 1 year when stored at -20° C or lower in a non-frost free freezer. |
| Expiry Date:     | 12 months                                                          |
