

Datasheet for ABIN5725666

## Mouse JUP ORF Clone in Cloning Vector

### Overview

|              |                |
|--------------|----------------|
| Quantity:    | 1 µg           |
| Gene:        | JUP            |
| Species:     | Mouse          |
| Insert:      | ORF            |
| Vector:      | Cloning Vector |
| Application: | Cloning (Clon) |

### Product Details

|                       |                                                                          |
|-----------------------|--------------------------------------------------------------------------|
| Purpose:              | ORF Cloning-Vector holds the gene between an AflII and EcoRV cut site.   |
| Insert Length:        | 2238 bp                                                                  |
| Vector Backbone:      | pORF                                                                     |
| Bacterial Resistance: | Spectinomycin                                                            |
| Expression Type:      | Transient                                                                |
| Sequencing Primer:    | M13 FP: 5'-CCCAGTCACGACGTTGTAAAACG-3'<br>M13 RP: 5'-CAGGAAACAGCTATGAC-3' |

### Target Details

|                   |                                      |
|-------------------|--------------------------------------|
| Gene:             | JUP                                  |
| Alternative Name: | Jup ( <a href="#">JUP Products</a> ) |
| NCBI Accession:   | <a href="#">NM_010593</a>            |

### Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
|--------------------|--------------------------------------------------------------------|

Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|         |                                   |
|---------|-----------------------------------|
| Buffer: | 10 mM Tris-HCl, 1 mM EDTA, pH 8.0 |
|---------|-----------------------------------|

|          |        |
|----------|--------|
| Storage: | -20 °C |
|----------|--------|

|                  |                                                                   |
|------------------|-------------------------------------------------------------------|
| Storage Comment: | 1 year when stored at -20°C or lower in a non-frost free freezer. |
|------------------|-------------------------------------------------------------------|
