## **Human CCL2 ORF Clone in Cloning Vector**

| Ove | ervi | ew |
|-----|------|----|
|-----|------|----|

| Quantity:    | 1 μg           |
|--------------|----------------|
| Gene:        | CCL2           |
| Species:     | Human          |
| Insert:      | ORF            |
| Vector:      | Cloning Vector |
| Application: | Cloning (Clon) |

#### **Product Details**

| Purpose:              | ORF Cloning-Vector holds the gene between an AfIII and EcoRV cut site. |
|-----------------------|------------------------------------------------------------------------|
| Insert Length:        | 300 bp                                                                 |
| Vector Backbone:      | pORF                                                                   |
| Bacterial Resistance: | Spectinomycin                                                          |
| Expression Type:      | Transient                                                              |
| Sequencing Primer:    | M13 FP: 5'-CCCAGTCACGACGTTGTAAAACG-3' M13 RP: 5'-CAGGAAACAGCTATGAC-3'  |

#### **Target Details**

| Gene:            | CCL2                 |
|------------------|----------------------|
| Alternative Name | CCL2 (CCL2 Products) |

### **Application Details**

| Application Notes: | Optimal working dilution should be determined by the investigator. |
|--------------------|--------------------------------------------------------------------|
| Restrictions:      | For Research Use only                                              |

### Handling

| Format:           | Liquid                                                                                           |
|-------------------|--------------------------------------------------------------------------------------------------|
| Buffer:           | 10 mM Tris-HCl, 1 mM EDTA, pH 8.0                                                                |
| Storage:          | -20 °C                                                                                           |
| Storage Comment:  | 1 year when stored at -20°C or lower in a non-frost free freezer.                                |
| Publications      |                                                                                                  |
